

MATERIAL SAFETY DATA SHEET

Identity: (As seen on Label)		DRY COOLANT			
Product # 2006 Dry Coolant					
Manufacturers Name: Visioneering Research Laboratories, Inc. (VRL, Inc.)					
Address: 6330 Pinehill #19 Port Richey, FL 34088 USA			Emergency Telephone No. (727) 849-6604 For Information Call: 800-837-4000		
Description: Edger/Generator Coolant			Date Prepared: 30-Nov-00		
NFPA Ratings:		Health - 2		Flammability - 0	Reactivity - 0
Carcinogenicity NTP? N/A		IRAC Monographs? N/A		OSHA Regulated? No	
Hazard Components:		OSHA PEL	ACGIH TLV	Other Limits	% (Optional)
Specific chemical identity:		No Data	No Data	No Data	No Data
Common Name:					
CAS # 67-63-0					
Psopronanol, Anhydrous					
Any hazards with these materials are delineated in this MSDS form					
Boiling Point: 212F		Specific Gravity (Water=1)		1.0 typical	
Vapor Pressure (mmHg) No Data		Melting Point:		No Data	
Vapor Density (Air=1) No Data					
Solubility in Water: Soluble		Evaporation Rate (BuAc=1)		<1	
Flash Point (Method) No Data		Appearance:		Blue grey powder	
Flammability Limits: No Data		Odor:		Mild	
Extinguishing Media: Foam, CO2					
Specific Fire Fighting Procedures:		SCBA recommended. Smother to exclude air. Do not use water. Avoid breathing fumes, Wear self-contained breathing apparatus. A water spray may be used to keep fire-exposed containers and surroundings cool.			
Unusual Explosion Hazards:		none known			
Stability:		Unstable		Stable X	
Conditions To Avoid:		Contact with strong oxidizing or reducing agents.			
Incompatibility: (Materials to Avoid):		Oxidizing agents, peroxides, halogens, vinyl chloride, and Iodine pentafluoride.			
Hazardous Decomposition or Byproducts:		Smoke may be acid and fume irritating. Burning generates CO. Nitrous oxides and ammoniacal vapors			
Hazardous Polymerization:		Will Occur		Will Not Occur X	
Conditions To Avoid:		Contact with concentrate can cause eye irritation, mist can cause respiratory irritation.			
Routes Of Entry:		Skin yes	Inhalation yes	Ingestion yes	
Health Hazards (Acute and Chronic):		Not established			
Signs and Symptoms of Exposure:		Not established			

Medical Conditions Generally Aggravated By Exposure:		None known	
Emergency and First Aid Procedures:			
<p><u>Inhalation:</u> Evacuate to fresh air. If symptoms persist, seek medical attention. <u>Eye Contact:</u> Flush eyes with copious amounts of water for at least 15 minutes. <u>Skin Contact:</u> Wash affected area with soap and water. Decontaminate clothing. <u>Ingestion:</u> Drink water. Seek medical attention</p>			
Waste Disposal Method:			
Dispose of waste in accordance with all local, state, and federal regulations.			
Steps to be taken in case material is released or spilled:			
<p>Avoid skin contact. DO NOT SWALLOW. Wear impervious gloves, (such as disposable latex) and splash-proof chemical goggles. Soak up all spills with an inert material. Place in a closed container for proper disposal. For major spills, wear an approved NIOSH respirator for organic vapors.</p>			
Respiratory Protection: (Specify type) See appropriate information under spills.			
Protective Gloves: Strongly Recommended	Ventilation:	Local Exhaust: N/A	Special: Comply with state, federal, and local regulations
		Mechanical (General):	Other: N/A
Other Protective Clothing or Equipment:		Eye Protection: Recommended	
Work/Hygiene Procedure:			
Avoid all personal contact. Wear appropriate safety equipment. Wash hands well after use.
